Number of transmitters for species you plan to tag*:

Common blackbird (*Turdus merula*)

Song thrush (*Turdus philomelos*)

European starling (*Sturnus vulgaris*)

Common swift (*Apus apus*)

European kestrel (*Falco tinnunculus*)

I've read the [Cooperation Agreement](#) and agree to follow it.

I agree that information from this form will be stored by MPI-AB.

*The transmitters for Common blackbirds, Song thrushes, European starlings, and Common swifts will be ready in August 2025, so we will be able to send them to you starting from September 1, 2025. The transmitters for European kestrels are already ready, and we can send them to you at any time.

*We will only be able to send transmitters to collaborators who have the necessary permits for tagging.

After filling out the form, save it and send it to icarus.birds@ab.mpg.de (Pokrovsky Ivan)

What's next?

Your application will be reviewed within two weeks after receipt at our regular project management meeting. After that, we will contact you via the provided email.
